

**Agreement for the Purchase/Sale or Statement Declining the Sale of Assistive Technology Devices by Oklahoma School Districts/  
Public Agencies**

**Statement of Purpose for Agreement**

The school districts and public agencies that are signatories to the agreement, hereinafter referred to as "the Parties," recognize the need for continued use of assistive technology devices that were originally purchased for individual students when the student moves from one school district to another or transitioning to other public agency service systems.

As a result, the parties hereby agree to the continued use of such devices by the student when the student changes school districts or transitions to other public agency service systems. Such continued use can be through one of the following methods: (a) by transfer or sale of the devices by the school district or agency to the student's new school district; (b) by the transfer or sale of the devices by the school district or agency to the student or the student's parents or legal guardians; or (c) by any other legal means that are acceptable to the student, and the parties to the agreement.

The parties further agree that in the event of a transfer or sale of assistive technology devices, they may use the "Agreement for the Purchase/Sale or Statement Declining the Sale of Assistive Technology Devices by Oklahoma School Districts and Public Agencies."

All transfers or sales of assistive technology devices will be made according to applicable state and federal law, rules, and regulations.
